Schneetag Rules and Regulations

Get your creative juices flowing - On Saturday, April 14th we are proud to host the 5th Annual Schneetag event on Snowmass Mountain Closing Day! Be among a select group of teams to create & fly your very own craft. Teams of FOUR will be able to build their own sliding-flying machine and enter to test it out on a specially created course near Spider Sabich on Snowmass Mountain! It is the perfect combination of cardboard derby, pond-skimming & dressing up ridiculous for no reason at all

DATE: Saturday, April 14th **TIME**: 1:30-3:00 pm **LOCATION**: Spider Sabich, Snowmass Mountain

PRIZES: Trip to Summer X Games in Los Angeles, Tickets to Rock Jam, Tickets to a Colorado Rockies game. 1st place chooses prize, 2nd place gets next pick and 3rd gets the remaining prize.

THE EVENT:

- Each team will consist of team of 4 – you should have a theme and skit ready to perform to the crowd.
- Each team will be given approximately 5 minutes to perform their skit prior to launching their craft.
  - Make sure you think about music and theme, as points will be rewarded by judges for showmanship.
- The teams will designate ONE pilot to fly their craft, while other team members can help at the launch.
- There will be an esteemed panel of judges rewarding points for flight distance, "splash" down, costume, theme and overall impression.
- **Please be aware that you must deliver your craft Daly Lane at Snowmass Mountain by 5PM on Friday, April 13th. We will not be able to load crafts the morning of due to skier safety.**

The rules for building your craft:

There are a few rules to keep a fair and safe playing field, but creativity is highly encouraged.

- The flying craft must be entirely human powered (no external energy sources).
- Craft must be less than 10' wide and weigh less than 400 lbs (including pilot). No protruding edges.
- The craft must have a ski(s) and/or snowboard attached to its base.
- All pilots (only one per craft) must be over the age of 18, and helmets are required!
- Make sure you avoid materials that become easily waterlogged to avoid immediate sinking.
- Please make sure you use environmentally friendly materials.
- And don't forget you're flying off of a snow ramp – wheels won't help you here!

We reserve the right to disqualify any team or team members at the start for any reason.

Scoring will be based on overall impression, taking into consideration the following:
flight distance/pond skim, "splash" down, costume, theme, showmanship.

*Please include a sketch/diagram of your craft as part of your complete entry.
