

Environment Foundation

founded by employees of Aspen Skiing Company

In 14 years the Environment Foundation has donated more than \$1.7 million to 341 projects protecting the Roaring Fork Valley. Employees like you made this possible! There are two ways you can help continue to protect the local environment:

- If you are not a member, join today!
- If you are a member, increase your weekly contribution by a dollar.

Why should you contribute?

- Get **free Environment Foundation SWAG** (while supplies last) based on your per paycheck contribution or one-time donation of:
 - **\$2 per paycheck or one-time donation of \$16:** Environment Foundation t-shirt or hat.
 - **\$3 per paycheck or one-time donation of \$24:** Tote bag made with used ASC uniform insulator.
 - **\$4 per paycheck or one-time donation of \$32:** Messenger bag made with used ASC uniform insulator.
 - Additional SWAG may be purchased at one-time donation price.
- 100% of your donation is spent in the valley, not on overhead.
- Your contribution is tripled, matched by the Aspen Community Foundation and again by the Aspen Skiing Company.
- That means that a \$2 per paycheck donation for the season becomes \$48 for excellent environmental causes!
- You decide where your money goes – the Foundation is governed solely by ASC employees.
