Four Mountain Sports rental shops are located at nine locations throughout the bases of our four mountains and include the Treehouse Kids' Adventure Center at Snowmass as well as the Panda house at Buttermilk. Four Mountain Sports offers free overnight ski and snowboard transfer and storage between the four mountains.

HELMETS:

Helmets are REQUIRED for children ages 17 and under participating in Ski & Snowboard Schools programs. Helmets are also required for all participants, regardless of age, when participating in Terrain Park & Pipe lessons. While helmets may reduce the severity of a head injury, the best way to avoid accidents is to know and abide by the skier/rider responsibility code.
