THE MEADOWS SKILLS PARK (1, 3, 11)
 A beginner area made of three trails: EZ-PZ, Lemon, and Squeezy. Each a different level, less than a mile in length, and chock-full of carefully crafted features to kickstart your Bike Park journey.

FREERIDE (1, 2, 3, 4, 6, 7, 11, 12, 16)
 Freeride trails are machine-cut and contain man-made features. Routes are enhanced with dirt jumps, ride-on features, gaps, narrow surfaces, wallrides, berms, and other natural or constructed features. All freeride trails are identified with an orange oval.

TECHNICAL (8, 9, 10, 13, 14, 15)
 Technical trails are built by hand, and tend to be more natural, including rocks and roots. Man-made features may be encountered. These trails are narrower and, typically, single-track.
