

Wintersköl at Aspen Mountain

The alpine experience, elevated.

Ride up Aspen Mountain in a private snowcat guided by our expert mountain team. From a prime vantage point above the slopes, your group gathers around a dedicated firepit to toast the season with champagne and dessert. Watch the torchlight parade snake down Aspen Mountain, then stay for the fireworks that light up the night sky. It's a tradition with a twist—connection, celebration, and stoke, all from the best seat in town.
