WELCOME TO SUMMER IN ASPEN SNOWMASS!

Up these mountains, we've created a place where you can leave it all behind and immerse yourself in the joy of a Rocky Mountain summer.

We offer a range of free on-mountain, for-fee activities, from guided nature walks and backcountry skiing trips to disc golf. When you're ready to buy, step by the Camp or the Sundeck for delicious, locally sourced cuisine.

At Snowmass, rent a bike from Four Mountain Sports and experience mountain biking trails or for-fee, group programs like overnight camping or paintball. Embargo and walking sticks for kids or our midway adventure summer camp for kids and teens — Camp Aspen Snowmass.

Open on Aspen Mountain, enjoy live music performances at the top of the mountain, outdoor films, an obstacle course and spectacular views of the Elk Mountains. We would like to welcome you to mountain at Aspen Snowmass — it's your journey up to us, not the beginning.

Silver Queen Gondola is the only lift on Aspen Mountain that operates and services trails in the summer.

We do not recommend hiking down Aspen Mountain — choose one of many routes down and every trail is steep and long.

If you hike up Aspen Mountain, you can ride the Silver Queen Gondola down for free.
